Richmond, VA

May 2024

Shenandoah University

Masters of Music Therapy

Winchester, VA

2015 - 2018

SKILLS

HTML, CSS, JavaScript, JQuery, MySQL, Express.js, Node.js, Handlebars, Bootstrap, React, MongoDB, GraphQL, Git

PROJECTS

Adventure Awaits

[Github](#) | [Live Site](#)

(JavaScript, Express.js, Node.js, React, MongoDB, GraphQL, Apollo, Render)

- MERN full-stack trip-planner where you can create a trip and packing list, and search restaurants and hotels in a specific city.
- This was a group project as part of the bootcamp requirements. I was responsible for the API calls, models, schemas and mutations/queries

Weather Dashboard

[Github](#) | [Live Site](#)

(JavaScript, HTML, CSS, Bootstrap)

- This is a weather dashboard using a third-party API that will show the current and 5-day weather forecast for a searched city. It will also save your city searches.
- I was responsible for the entire code.

EXPERIENCE

Spring Arbor Senior Living

Winchester, VA

Activity Director

2020 – 2024

- Plan and implement activities for seniors in Assisted Living and Memory Care settings.
- Collaborate effectively with an interdisciplinary team to deliver personalized care for residents.
- Demonstrate leadership by overseeing a team of 3 assistants.
- Showcase time management by creating monthly newsletters and calendars on a deadline.
