LinkedIn: www.linkedin.com/in/anne-michele-maher | Portfolio: Coming Soon

## SUMMARY

Full-stack web developer with a background in creative arts. Trained at University of Richmond's coding boot camp and earned a certificate in full-stack web development. Collaborative problem-solver with the ability to adapt in real-time. Strengths in creativity, teamwork, and building projects from ideation to execution.

## TECHNICAL SKILLS

**Softwares/Platforms:** Microsoft Office Suite, Git, Heroku, Render
**Software Languages:** HTML, CSS, JavaScript, JQuery, MySQL, Express.js, Node.js, Handlebars, React, MongoDB

## PROJECTS

**Weather Dashboard | Link to GitHub:** https://github.com/amaher112/weather-dashboard.git **| Link to Deployed Project:** https://amaher112.github.io/weather-dashboard/
- This is a weather dashboard using a third-party API that will show the current and 5-day weather forecast for a searched city. It will also save your city searches.
- I was responsible for the entire code.
- Languages used: HTML, CSS, JavaScript

**Note Taker | Link to GitHub:** https://github.com/amaher112/note-taker.git **| Link to Deployed Project:** https://limitless-refuge-95387-9df5404df67f.herokuapp.com/
- This is a note-taker application that will save and retrieve notes using HTML and API calls.
- I was responsible for the back-end code including GET and POST requests.
- Languages used: HTML, JavaScript

## EXPERIENCE

**Activity Director**                                                                                        2020 – 2024
**Spring Arbor Senior Living**
                 Winchester, VA
Plan and implement activities for seniors in Assisted Living and Memory Care settings. Work with an interdisciplinary team to provide the best care for residents. Lead and manage a team of 3 assistants. Write a monthly newsletter and create monthly calendars on a deadline.

## EDUCATION

**Program Certificate:** University of Richmond, Richmond, VA                         May 2024
A 24 week intensive program focused on gaining skills in coding fundamentals, databases, and progressive web applications.

**Masters of Music Therapy:** Shenandoah University, Winchester, VA                 2015-2018
